The screenshot shows a Mozilla Firefox browser window displaying the website of the International Office der Technischen Fakultät der Universität Erlangen-Nürnberg. The browser's address bar shows the URL <http://www.io.techfak.uni-erlangen.de/outgoing/>. The website features a header with a world map and a photo of four students. The main content area is titled "Outgoing" and includes a navigation menu on the left with items like "Startseite", "International Office", "Incoming", "Outgoing", "Anerkennung von Studienleistungen", "Vorbereitung", "Finanzierung", "Partneruniversitäten der Techfak", "Praktika im Ausland", "News und Events", "Links", "Kontakt", "Impressum", and "Inhaltsübersicht". The main text discusses the benefits of international study, such as gaining new experiences and skills, and mentions the importance of language proficiency. A sidebar titled "Auslandsstudium" features a photo of a modern building and the text "Welches Ziel verfolge ich?". The browser's status bar at the bottom indicates "Fertig".

Integration in Biology studies:

- Bachelor thesis
- free module of Master programme (contact Studiendekan)
- Master thesis (also possible for Molecular Science)

The screenshot shows the website of the Faculty of Natural Sciences at Friedrich-Alexander-Universität Erlangen-Nürnberg. The page features a green header with the faculty name and navigation links. A search bar is present at the top left. The main content area is titled 'Studium' and includes a navigation menu on the left with options like 'Startseite', 'Fakultät', 'Forschung', 'Studium', 'Studiendekan', 'Studienangebote', 'Studierende', 'Doppelter Abiturjahrgang 2011', 'Wettbewerbe', 'Schule', 'Veranstaltungen', and 'Infocenter'. The main text describes the faculty's offerings, mentioning interdisciplinary research and the possibility of double majors. A sidebar on the right features a banner titled 'VON NATUR AUS NEUGIERIG?' and a list of 15 study programs: Biologie, Chemie, Geowissenschaften, Integriertes Life Science - Biologie, Biomathematik, Biophysik, Kultursensorik, Lebensmittelchemie, Mikrobiologie, Pflanzenbauwissenschaften, Pharmazie, Physik, Sportwissenschaften, Technische Biologie, and Umweltwissenschaften.
